About Us

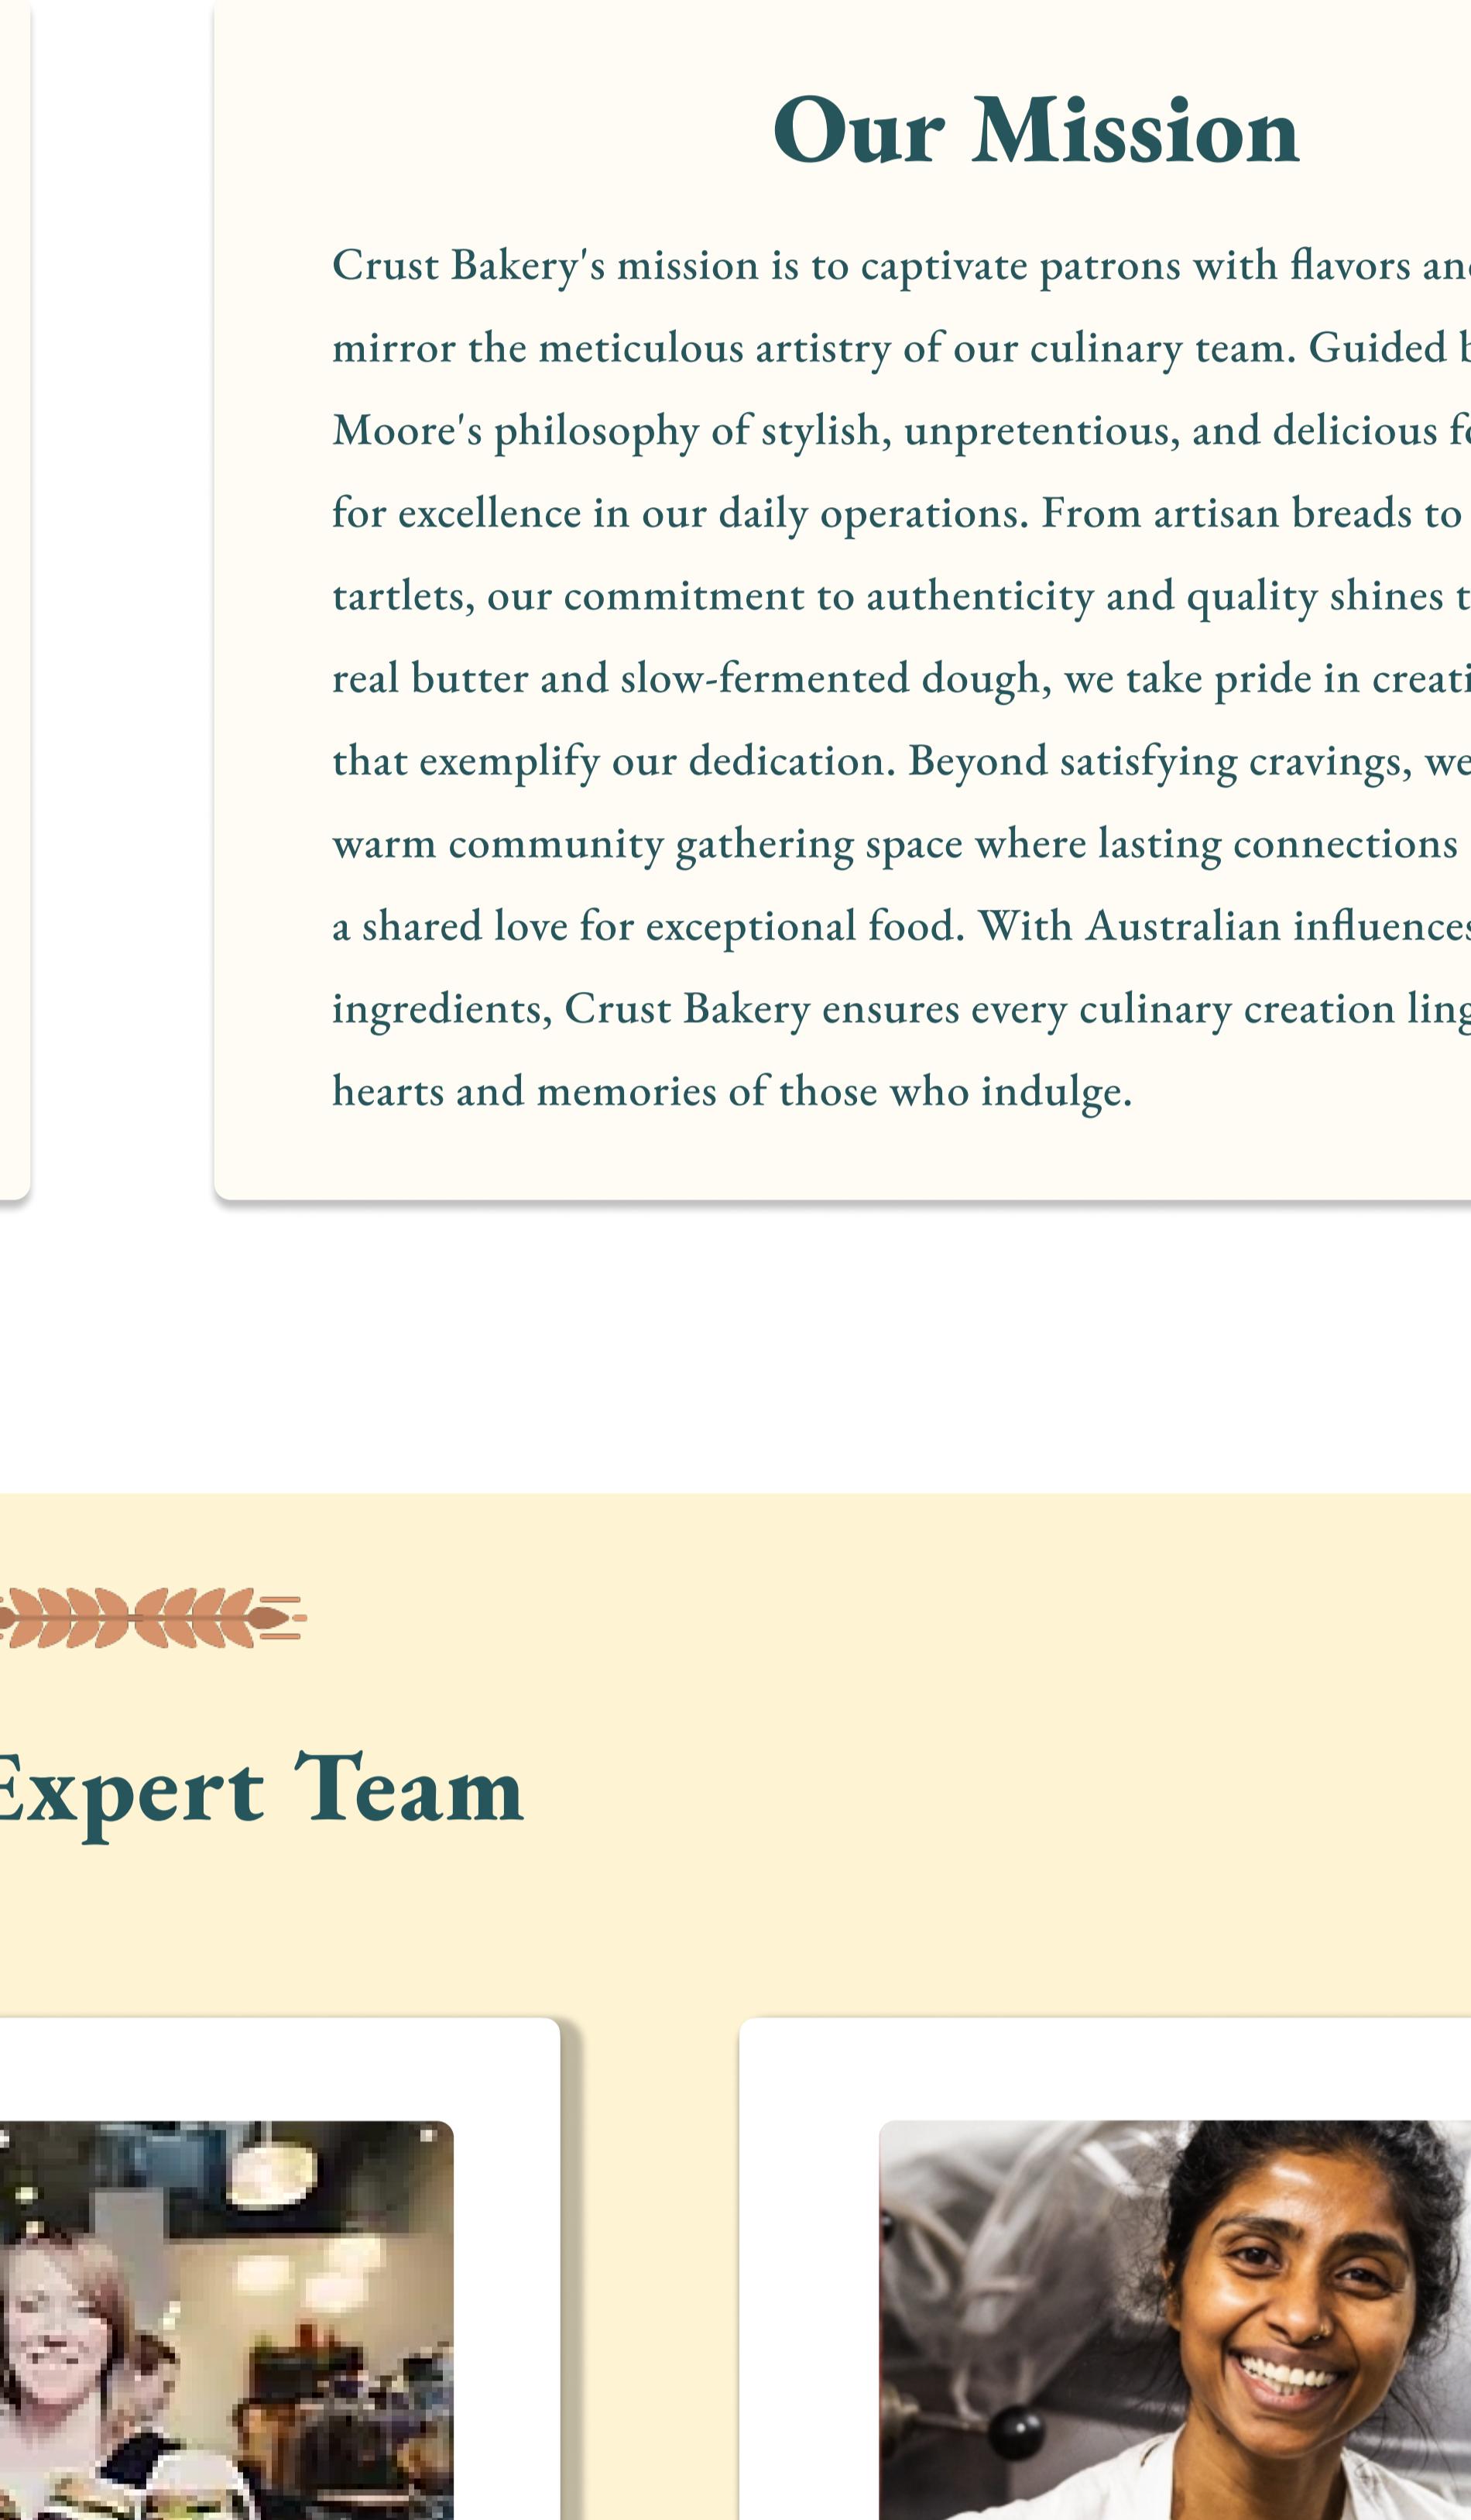

HOW IT ALL STARTED

Welcome to Crust Bakery!

Nestled on the stunning West Coast of Canada, our story began in September 2013 in the heart of historic Victoria. We quickly earned the title of Victoria's Best Bakery, winning the hearts of locals and tourists alike.

But that's not all - we've got a second location on Vancouver Island, a charming outdoor kiosk at Uptown Mall. Known for our top-notch baked goods and unbeatable coffee, Crust is where excellence meets deliciousness. Join our loyal community and treat yourself to a slice of happiness!

Our Vision

Crust Bakery envisions becoming the premier culinary destination on the West Coast of Canada, harmonizing with Victoria's history and natural charm. Established in 2013, we aim to be the hub where locals and tourists relish top-tier baked goods and exceptional coffee. Through a commitment to fresh, local, and seasonal ingredients, we strive to embody the cultural spirit of Australia in our culinary offerings. Chef Tom Moore and Crystal Moore lead with a passion for crafting delightful treats, ensuring each bite tells a story of craftsmanship, simplicity, and deliciousness.

Our Mission

Crust Bakery's mission is to captivate patrons with flavors and visuals that mirror the meticulous artistry of our culinary team. Guided by Chef Tom Moore's philosophy of stylish, unpretentious, and delicious food, we strive for excellence in our daily operations. From artisan breads to signature tartlets, our commitment to authenticity and quality shines through. Using real butter and slow-fermented dough, we take pride in creating croissants that exemplify our dedication. Beyond satisfying cravings, we aim to foster a warm community gathering space where lasting connections are formed over a shared love for exceptional food. With Australian influences and local ingredients, Crust Bakery ensures every culinary creation lingers in the hearts and memories of those who indulge.
